It was an ideal Christmas day, and old and young made the most of it. To be sure there was no snow and the sound of sleighbells was not heard, but there were delightful rides over splendid roads in a beautiful pastoral region, a foot ball game that was full of "ginger," gay hunting parties and excursions without number.—Phoenix Herald.

Dyer, who come to examine the mines in the interest of a syndicate of capitalists who have taken a bond on the property.—Enterprise.

Last Sunday William Weston and J. D. Murphy arrived in Kingman and the next day proceeded to the White Hills, where they will probably inaugurate one of the most important mining schemes in the history of Mohave county, the sinking of a prospect shaft 1,000 or 1,500 feet on the White Hills group of mines. Weston and Murphy are two of the best known mining men in Colorado.—Mohave Miner.

Interesting Items Culled from Our Exchanges.

H. D. Underwood returned from Morenci and Clifton. He reports great and increased activity in the two camps. Four trains run each way daily between Clifton and Lordsburg.—Star.

DeWitt's Little Early Risers purify the blood, clean the liver, invigorate the system. Famous little pills for constipation and liver troubles. Copper Queen store.

A. P. Smith, the Prescott mining man, is in receipt of a letter from his mining partner, Jas. Smith, in which the latter states that very high grade ore has been struck in a drift being run from a depth of 500 feet in the Johnson mine, Weaver district.—Courier.

Mrs. R. Churchill, Berlin, Vt., says: "Our baby was covered with running sores. DeWitt's Witch Hazel Salve cured her." A specific for piles and skin diseases. Beware of worthless counterfeits. Copper Queen store.

If reports are true the litigation which has been in progress at Prescott between John Duke, of this city, and Senator Clark, has at last been settled by a compromise. Mr. Duke to receive \$65,000. The property involved is a group of claims adjoining the United Verde.—Enterprise.

J. B. Clark, Peoria, Ill., says: "Surgeons wanted to operate on me for piles, but I cured them with DeWitt's Witch Hazel Salve." It is infallible for piles and skin diseases. Beware of counterfeits. Copper Queen store.

Ben J. George has returned from Naco, Cochise county, where he has for the past seven months been engaged in the freighting business. Mr. George says that everything in that district is on the upward move, but states that he would rather reside in Phoenix.—Enterprise.

"I was nearly dead with dyspepsia, tried doctors, visited mineral springs, and grew worse. I used Kodol Dyspepsia Cure. That cured me." It digests what you eat. Cures indigestion, sour stomach, heartburn and all forms of dyspepsia. Copper Queen store.

Great improvements in theories of the Mohave Mining company mines now under development in Mohave county are reported. A foot of ore is now in one shaft from the surface to a depth of thirty feet, that gives assay results of over \$100 to the ton in gold. The development work done has been limited.—Miner.

"One Minute Cough Cure is the best remedy I ever used for coughs and colds. It is unequalled for whooping cough. Children all like it," writes H. N. Williams, Gentryville, Ind. Never fails. It is the only harmless remedy that gives immediate results. Cures coughs, colds, hoarseness, croup, pneumonia, bronchitis and all throat and lung troubles. Its early use prevents consumption. Christmas!

CHRISTMAS!

CHRISTMAS!

CHRISTMAS!

There is a holiday aspect about the store now. The Toys, and the counters and tables full of goods, herald the approach of Christmas as surely as if there were no calendars. The toy store is perhaps the most interesting spot, at least to the mind of every little child, and undoubtedly every little child's parent. There are dolls that are almost human, with real hair and eyes that open and close; steam engines that run with a puff! puff! just like big engines; toys that do all sorts of antics by simply winding up; toy guns, swords and equipment for the martial-spirited boy; trains of cars, wagons and all sorts of things to go by pulling or pushing. Noah in his ark never had such animals as you'll find here in make-believe. There's an almost indescribable array of little things, but to the childish heart how big and wonderful. Come and bring the children. Let them drop a letter in Santa Claus' mail box (in the Furniture Wareroom).

FOR MEN

What to give, that's the question. It shouldn't be so hard to decide.

There's Neckwear, not the usual Christmas, hand-painted sort that men thank you for and never wear, but Neckwear in patterns and colorings and shapes, all in good taste. Just a little finer in quality, perhaps.

Suspenders, of silk or satin, some embroidered with fleur de lis and other designs; white kid ends and sterling silver or gold plated buckles, neatly boxed. These are not the usual gift suspenders, but are strictly high grade; \$1.75 to \$3.50.

FANCY VESTS. You're likely not thought of these as a present, but they are none the less acceptable. Men's clothing at its joyest is sombre enough. Fashion now sanctions a touch of color in Fancy Vests; \$4 each.

Tek Fancy Shirts, a suit of Pajamas, a Mackintosh or Umbrella. There's no end of things in our Men's Furnishing Stock that will make appropriate presents for the father, the brother or—

CALENDARS FOR 1900

Pleasant reminders of Time's flight. Dainty, artistic little affairs, tied with silk cord or ribbons; 35 cents to \$1. It's the thought, not the amount, that counts in giving.

STERLING SILVER NOVELTIES

Nail files, paper cutters, seals, blot- ters, ink stands, cuticle knives, hat brushes, whisk brooms, tooth brushes, tooth-brush holders, nail polishers, cold cream jars.

Hair, military, nail, cloth and baby brushes, with ebony backs, mounted with sterling silver.

Ebony, imitation shell and ivory combs mounted with sterling silver and filigree work.

A host of little things, inexpensive, but thoroughly appropriate. It's surprising what a dollar will do in this stock.

CUTLERY AND PLATED WARE

Through a fortunate purchase we are enabled to sell Rogers' AA plated spoons at \$2 and \$4 a dozen for the tea and table sizes respectively. We've usually gotten a dollar more a dozen for these.

CARVING SETS

An elaborate five-piece set, pearl handles, with solid silver trimmings, at \$28. A good, serviceable set for \$2. Plenty at prices between these extremes.

Pocket knives—an assortment that comprises knives for every need. All at the hardware counter.

In Your List of What to Give Have You Included Furniture?

The word Furniture is so apt to suggest cumbersome, expensive pieces that you've probably overlooked the possibilities of furniture in getting you out of the quandary of "what to give." A Morris chair, dressing table, small center table, a rocker, fancy mirror. Is this hint enough?
